

DIGITAL MARKETING PORTFOLIO

Delyn Evelyn Yusuf

Digital Marketing Specialist

Building brands through strategy, creativity, and digital innovation.

Aspiring Digital Marketing Specialist passionate about creating meaningful digital experiences through content, branding, SEO, and social media — helping businesses grow by combining creativity with data-driven strategy.

Marketing with purpose

Hello! I'm Delyn Evelyn Yusuf, an aspiring Digital Marketing Specialist currently completing a Digital Marketing programme at Uncommon.org. I enjoy helping businesses communicate their value through engaging content, strategic campaigns, and strong brand identities.

Throughout my learning journey, I have developed practical skills in SEO, content creation, social media management, email marketing, and campaign planning — alongside experience supporting technology education initiatives and community-focused outreach.

I believe effective marketing is about understanding people, solving problems, and building genuine relationships between brands and customers.

SEO & Content

Optimising visibility and crafting stories that convert.

Social & Campaigns

Planning strategy across channels for measurable reach.

Data-Driven

Blending creativity with insight to guide every decision.

Where I've grown

Digital Marketing & Tech Trainee

Uncommon.org • January 2026 – Present

- Participating in an intensive Digital Marketing programme covering SEO, social media, email marketing, and content strategy
- Creating marketing content for practical assignments and learning campaign planning
- Collaborating with peers on marketing and technology projects; representing the programme at community events

Youth Coding Leader & Volunteer Outreach

Uncommon.org

- Coordinating outreach programmes in schools and teaching Scratch programming to primary learners
- Introducing secondary students to JavaScript using WoofJS
- Supporting community digital literacy initiatives and communicating with teachers, learners, and stakeholders

CASE STUDIES

Featured Projects

Seven projects spanning SEO, paid media, branding, and content — each showing the problem, my approach, and the outcome.

Westwood College — SEO Audit

KFC — Google Ads Campaign Strategy

INUKA by Delyn — Brand Marketing

Blue Collar Connect — Brand Strategy

Email Marketing Campaign

Social Media Marketing Campaign

KFC — Brand Content Pack

Westwood College SEO Audit

OVERVIEW

Conducted an SEO audit of the Westwood College website to identify opportunities for improving search engine visibility and user experience.

OBJECTIVES

- Analyse on-page SEO
- Identify technical SEO issues
- Improve search rankings
- Enhance user experience

MY ROLE SEO Auditor

KEY FINDINGS & RECOMMENDATIONS

- Weak title tags & missing H1 heading
- Limited, outdated page content
- Weak keyword optimisation
- Recommended: improve metadata, add keyword-rich headings, expand content, improve internal linking
